Aurora C.C. begins with two par 3's and six par 4's before closing with a par 5. The 220 yard first hole is the #1 handicap hole. It is a very tough par 3 over a creek bed to a raised green with out-of-bounds right, trees left, and two large trees next to the tee to negotiate. You must hit over wide drainage areas on the first few holes and a dry creek bed on every hole but the 7th. The 8th and 9th are challenging finishing holes, particularly for slicers. The 8th is long with out-of-bounds right. It has an approach over the creek bed to a green only seven paces wide. The 9th is narrow, tree lined and has out-of-bounds tight right.
