Directions: Take I-80 to Exit 332 (Aurora). Go north 15.6 miles on Hwy 14 to the gravel entrance road on your left (just past the railroad tracks). Turn left and go about 1/2 mile to the parking lot.

This open tract has a lot to offer. The entire layout is impeccably well kept. It features level fairways and greens that are small for the courses length. The well conditioned greens are protected by traps. Despite their counter clockwise arrangement, the holes are friendly to slicers. Two of the three par 4 perimeter holes are doglegs to the right. Holes 3, 4, and 6 are scenic and challenging doglegs. Big hitters will be tempted to fly a group of trees sitting in a gully at the bend on the 6th. It's a sure lost ball if the trees aren't carried but a possible birdie if they are carried. You will find Valley View a pleasure to play.
