**Directions:** Take I-80 to Exit 59 (Sidney). Go north on Hwy 385 about 138 miles to the entrance on your left (the course is just south of Chadron, if you've driven to the Hwy 20 intersection you've gone about 1 mile too far).

Ridgeview C.C. is a must play for anyone traveling through northwest Nebraska. It lies at the foot of picturesque Pine Ridge just south of Chadron. From tee to green, it is superbly conditioned. Lush fairways lead to meticulously manicured greens that are ringed by tightly mowed aprons. The layout of the course is open and, except for out-of-bounds along a couple fairways, is not penalizing. The rough is very playable. Several traps and two ponds are located in landing zones and can effect your score if your not careful. If you enjoy seeing your ball sitting up on a rich green carpet, and if you enjoy putting without ever witnessing an unexpected bounce or break, go to Ridgeview.
