Creighton is a privately owned layout that opened in piece meal fashion in 1991. It is a level layout that is open and non-penalizing at first glance. The greens are in superb condition. Once on the course, you realize the great care necessary to avoid the winding creek that comes into play on five holes. Two greens are encircled by the creek and play like island greens. Playing Creighton will test your short iron game. It is a peaceful course to play with a variety of scenery.
