David City G.C. is a wonderfully well-kept and scenic layout. It lies across rolling knolls next to the city park. The fairways, rough, and greens are lush, full, and cut short. A mix of red cedars, pines, and American elms line the fairways. Water is in play on four of the nine holes. A pond serves as a lateral water hazard on holes 8 and 9 and a wide creek lies in front of the 1st and 2nd greens. David City is a fun track that is playable for all levels.
