Elkhorn Ridge sits next to Elkhorn High School on a barren hilltop with a view of the surrounding countryside and west Omaha. It's many short holes make it a great place for beginners and youngsters. As you make your way around the crown of the hilltop you alternate hitting tee shots uphill and downhill. The greens are relatively large and are guarded by grassy mounds. The whole course is seeded and cut the same length. This course has a lot of league play weekday evenings and it has night tournaments open to the public. It also provides an excellent junior program throughout the summer.
