Situated next to Enders Lake recreation area, this course is flat and appears uneventful. However, as with other courses that use the natural Nebraska prairie foliage for rough, there are headaches outside the fairway. The layout features wide, straightaway fairways and small, round greens. The bluegrass fairways and bentgrass greens are in excellent condition. Scattered young trees and the Nebraska 'gorse' separate the fairways. You'll find friendly service and a relaxing atmosphere in the clubhouse.
