Whitetail Run is a challenging wooded rolling layout that must be managed carefully for success. Its excellently maintained greens are postage-stamp size and demand accurate approach shots. Trees further the challenge presented by the small greens. Holes 2, 5 and 7 have narrow, tightly tree lined fairways with no room for error. A unique feature is that the par 3's are long, averaging 188 yards, and the par 4's are short, averaging just 285 yards. Partly overlooking the Platte, the 8th fairway holds historical significance as the Pawnee once put their dead to rest along the area. You'll enjoy the challenge and the hospitality at Whitetail.
