Directions: Take I-80 to Exit 312 (Grand Island). Go north 4.5 miles on Hwy 281 to the first traffic light at the Hwy 281 and Hwy 34 intersection. Turn left and go west 1.4 miles to the entrance on your right.

This course is open and level, allowing for no-nonsense lies and fair opportunity to recover from an off-line shot. Two ponds are the most hazardous obstacles on the course. The first pond surrounds most of the green on the 159 yard, par 3, 5th. The green is virtually an island, making it one of the most unique holes in Nebraska. The second pond stretches onto the 15th and 16th fairways. The entire facility is well cared for and the course is an excellent place for all levels of golfers to work on their game.
