Golf minded people from Johnson, Nemaha, Pawnee, and Richardson counties came together to build a great track in Kirkman's Cove. The course winds around the perimeter of a reservoir. The lake can be seen from every green. Burr oaks, elm, and maple trees line many of the fairways. Deer will walk through the layout at certain times. An old highway bridge was moved several miles to serve as a cart crossing. A rustic, scenic golf experience awaits you at Kirkman's Lakeview Golf Course.
