Woodland Hills is one of the Nebraska's most scenic and challenging layouts. It offers everything a golfer dreams of and fears. Built on an award-winning tree farm, it has a wide variety of full grown trees with undergrowth. Over 10 acres of wild flowers and grasses add to the beauty. You'll find well-bunkered bentgrass greens, contoured bentgrass fairways and several alluring golf vistas. Four scenic ponds come into play on five holes requiring extensive water carries from the tee and on approach shots. Holes 13 and 14 are unmatched in Nebraska for their beauty and demand of thoughtful strategy. A log lodge clubhouse built in '95 is the finishing touch to a striking layout. Golf Digest awards prestigious 4 1/2 stars.
