Minden C.C. sits between the airport and Pioneer Village in Minden. It is an open course with a scattering of trees, lush well cared for fairways and greens that are as smooth as a baby's behind. A creek winds diagonally through the course, cutting across seven holes. You will find mostly level lies, though some fairways have natural swales and ripples. The challenge of this course centers around its trio of long, scenic, par 3's. The 201 yard 4th hole is the most challenging of the trio with out-of-bounds right and a creek to the left. You will enjoy a round at Minden.
