**Directions:** Take I-80 to Exit 177 (North Platte). Go south 6 miles on Hwy 83 to the Lake Maloney Golf Club sign on the right side of the highway. Turn right and go west 2 miles to the entrance on your left.

Lake Maloney Golf Club was an eighteen hole sand green tract until the early 90's when the members rebuilt and converted the greens to grass. The result is a challenging regulation course. The rolling terrain offers few level lies, sand and trees can get in the way on several holes. The most difficult hole is the par 4 thirteenth. Not only is it appropriately numbered, it is long, uphill, and plays into the prevailing wind. When you finally arrive at the green you are rewarded with a view of the lake and a cool breeze off of the water. Lake Maloney G.C. is fun and convenient to I-80.
