Built into the hillsides of the Fontenelle Hills area of Bellevue, Fontenelle Hills is a short, aesthetically pleasing course. It features heavily wooded narrow fairways, many of which have sharp hillside drop-offs along their edges. The turf is well-groomed and its large greens are in great shape. Water comes into play on the par 3, 17th hole, where you must hit over a small pond from the tee. The par 3, 11th presents an interesting challenge with an oak tree in the middle of the green. Fontenelle Hills is a fun course that will test your finesse.
